From The Minister

Christians are to be wise in their decisions and dedicated to give their very best. As summer is now in full swing, I hope you will use the time to be busy about God's work. There are many opportunities, and you now are free of study and classes-- So you can now concentrate on doing the things you need to do for God. Use your life to be a blessing-- God is wanting to reward you.

Here's something to think about as we begin summer.

An Irish soldier in France during the world war received a letter from his wife saying there wasn't an able – bodied man left, and she was going to have to dig up a garden herself.

Pat wrote at the beginning of his letter, *"Bridget, please don't dig the garden, that's where the guns are."*

The letter was duly censored and in a short while a load of men in uniform arrived at Pat's house and proceeded to dig the garden from end to end.

Bridget wrote to Pat that she didn't know what to do, the soldiers had dug up every bit of the garden.

Pat' reply was short and to the point, *"Put in the spuds"*

I believe they call that ingenuity-- and wisdom-- a little wisdom can go a long way. Proverbs 3:13-14 says *"Blessed is the man who finds wisdom, the man who gains understanding, for he is more profitable than silver and yields better returns than gold."* And Jesus says to us in Matthew 10:16, *"Be ye therefor wise as serpents, and harmless as doves."*
